**MEMORANDUM**

Before the court is a report and recommendation (Doc. 21) filed by the magistrate judge in which he recommends that the appeal by Plaintiff, Jackie Durden, from a decision of the administrative law judge be denied. No objections have been filed to the report and recommendation.

A review of the thorough and lengthy opinion of the magistrate judge shows that the ALJ's decision is supported by substantial evidence. The report and recommendation will be adopted.

A separate order will issue.
